City of Port St. Lucie Building Department Contractor Stakeholder Meetings

In an effort to provide the highest level of customer service, the Building Department is scheduling a series of annual focus meetings with our stakeholders/customers.

The goals of these meetings are to:

1. Solicit input from you on how to improve permit, plan review, and inspection processing.
2. Offer assistance to the contractors to improve our level of service.
3. Establish a dialog with Contractors.
4. Develop a scheduled ongoing annual stakeholder meeting.

We are requesting that only the qualifier/license holder and one supervisor, foreman, or office manager attend the meeting.
